iflo offers a range of showering options to meet the different hot water systems that exist in the home... from gravity-fed, to combi-boiler to pressurised/unvented systems, iflo showers provide a range for all.

iflo Mixer Showers

- All iflo mixer showers carry an unbeatable 6 year quality guarantee*
- Every iflo product undergoes a full quality inspection before leaving the factory
- All iflo mixers are WRAS approved
- iflo mixers are available in a range of contemporary, classical and traditional styles
- The iflo range includes: thermostatic and manual, high and low pressure, surface mounted and recessed options

iflo Electric Showers

- All iflo electric showers carry an unbeatable 2 year quality guarantee*
- Every iflo electric shower is third party tested by BEAB
- iflo's modern designs have large footprints providing straightforward replacement of existing electric shower units
- iflo units have either 3 or 6 point water supply and power cables enabling routing from top, bottom, rear or sides
- iflo showers are available in two power options: 8.5kW and 9.5kW

iflo Power Showers

- All iflo power showers carry an unbeatable 2 year quality guarantee*
- Our iflo power shower is third party tested by BEAB
- iflo's power showers have a powerful (12 ltrs p/m) integral pump for an invigorating spray performance

iflo Shower Accessories

- All iflo accessories carry an unbeatable 2 year quality guarantee*
